AIRBOSS APPOINTS NEW COO

AirBoss of America Corp. ("AirBoss") announces the appointment of A. Kim Aagaard, B.A., M.B.A., C.A., as Chief Operating Officer of the company effective immediately. Mr. Aagaard, 57, has had a successful career as a senior executive in polyethylene film and packaging, auto parts manufacturing and 15 years in polymer compounding. He was CEO of Synergistics Industries Limited at the time of its takeover by the Geon Company, now PolyOne Corporation.

R.L. Hagerman, CEO of AirBoss commented, "The addition of management strength at the COO level is an important step in the evolution of AirBoss as an industry leader in custom rubber compounding and specialty rubber products for the military and transportation industries. Kim's wealth of experience will serve us well in achieving our plans for major growth and increased profitability."

Mr. Aagaard will be based at the corporate head office in Newmarket, Ontario and will be directly responsible for all existing operations of the company. He will have the additional responsibility for the implementation of the company's business plan which includes significant new growth in existing and complementary new businesses.

AirBoss is a manufacturer of proprietary rubber products for the military and transportation industry. AirBoss is also one of North America's largest custom rubber mixing companies serving a wide range of industries.
