AIRBOSS OF AMERICA CORP. ANNOUNCES RE-FILING OF CERTIFICATES

NEWMARKET, ONTARIO – AirBoss of America Corp. (TSX: BOS) (the “**Company**”) today announced that it has, in accordance with National Instrument 52-109 – Certification of Disclosure in Issuers’ Annual and Interim Filings, re-filed the Certifications of the Chief Executive Officer and the Chief Financial Officer of the Company for the interim periods ended March 31, 2010 and June 30, 2010. The new certificates replace and supersede the original certificates which were filed on SEDAR on May 12, 2010 and August 11, 2010, respectively. The original certificates included disclosure in paragraphs 5.2 and 5.3 whereas in each case the certificates should indicate “N/A” in these paragraphs because the Company did not have a material weakness relating to the design or a limitation on the scope of design of disclosure control and procedures (DC&P) and internal control over financial reporting (ICFR). The re-filings were made pursuant to a review of the Company's continuous disclosure record by the Ontario Securities Commission. There have been no changes to the Company’s financial statements or related management’s discussion and analysis with respect to the interim periods ended March 31, 2010 and June 30, 2010.

AirBoss of America Corp. develops, manufactures, and sells high quality, proprietary rubber-based products offering enhanced performance and productivity to transportation, military and industrial markets. With a capacity to supply over 250 million pounds of rubber annually to a diverse group of rubber manufacturers, AirBoss is also one of North America's largest custom rubber compounding companies. The Company’s shares trade on the TSX under the symbol BOS. Visit www.airbossofamerica.com.
