AirBoss appoints Mr. Robert Dodd as V.P. of Compounding Operations

Mr. R.L. Hagerman, President & CEO of AirBoss of America Corp. (“AirBoss”) is pleased to announce the appointment of Mr. Robert Dodd to the position of Vice-President Compounds. Mr. Dodd will have primary responsibility for AirBoss’ rapidly growing compounding business in Canada and its recently opened U.S. facility in Scotland Neck, North Carolina.

Mr. Dodd has almost 20 years experience in the rubber manufacturing business in a multi-national, multi-plant environment. He is a hands-on executive with a proven track record in all facets of operation management, product development and sales/account management in the manufacturing industry.

AirBoss of America Corp. develops, manufactures, and sells high quality, proprietary rubber-based products offering enhanced performance and productivity to transportation, military and industrial markets. With a capacity to supply over 200 million pounds of rubber annually to a diverse group of rubber manufacturers, AirBoss is also one of North America’s largest custom rubber compounding companies. The Company’s shares trade on the TSX under the symbol BOS. Visit www.airbossofamerica.com.
